The Shadow Owners' Companion

Why should your mechanic get to have all the fun? Maintaining your Rolls-Royce Silver Shadow, Silver Shadow LWB, Silver Shadow II, Silver Wraith II, Two Door Saloon, Drophead Coupé, Corniche, Camargue, Bentley T or T2 in top condition has never been this straightforward. The Shadow Owners' Companion enables anyone with reasonable mechanical ability to maintain his or her Shadow in top form. Each section is clearly written for the weekend mechanic and brimming with tips on tools, troubleshooting, and resource recommendations.

Everything the intrepid DIY Rolls/Bentley owner needs to know to keep these superb motorcars "proceeding" with their factory-specified "adequate" power, torque, and chassis poise. Maintenance and repair procedures are well documented and described in highly accessible prose and parables.

Frank Markus, Technical Director, Motor Trend Magazine

Jon Waples' book gives the average enthusiast the know-how to keep a Silver Shadow performing the way a Rolls-Royce should; wafting down the road with effortless power and in complete silence.
